

Florida Coastal Ocean Observing Systems Consortium Caucus 12 Building Value into Existing Infrastructure

November 27, 2007

Hosted by Florida International University
Southeast Environmental Research Center & International Hurricane Research Center

Meeting location: FIU MARC International Pavilion
Miami, Florida

AGENDA

- 9:00 AM Meeting Registration
- 9:30 AM Welcome - Joseph Boyer (FIU)
- 9:35 AM FLCOOS Consortium update
- 9:45 AM Opening Remarks: TBA
- 10:00 AM Compound Interest: The Value of Long-Term Coastal Water Quality Monitoring -
Joe Boyer (FIU)
- 10:15 AM South Florida Regional Observing System - Libby Johns (NOAA/AOML)
- 10:30 AM Break
- 10:45 AM Marine Monitoring Network - Erik Stabenau (NPS/Everglades National Park)
- 11:00 AM SEAKEYS: A Long-Term Network of Coastal Stations -
Andrew Crowder (FIO/Keys Marine Lab)
- 11:15 AM Florida Keys National Marine Sanctuary - TBA (NOAA/NMS)
- 11:30 AM Exploring Transport Mechanisms of gases in shallow South Florida flows -
Wade McGillis (Columbia University)
- 11:45 AM Lunch
- 1:15 PM International Hurricane Research Center - Stephen Leatherman (FIU)
- 1:30 PM Florida Hurricane Alliance - Carolyn Robertson (FIU)
- 1:45 PM Wall of Wind - Arindam Chowdhury (FIU)
- 2:00 PM Storm Surge Network - Keqi Zhang (FIU)
- 2:15 PM Geospatial Assessment of Marine Ecosystems (GAME) & FOCC Research Review-
Kathleen O'Keife (FWRI/FWC)
- 2:30 PM Break
- 2:45 PM The Ocean Tracking Network: Florida's participation - Glen Shen (Mote Marine Lab)
- 3:00 PM FLCOOS Education & Outreach Committee Update - Tom Gustafson (Nova Southeastern
University)
- 3:15 PM Florida COOS - Future Directions & Connections discussion
- 3:45 PM Closing Remarks - Jyotika Virmani (FLCOOS Consortium)
- 4:00 PM Adjournment
