

FL COOS CAUCUS, Monday, April 3, 2006

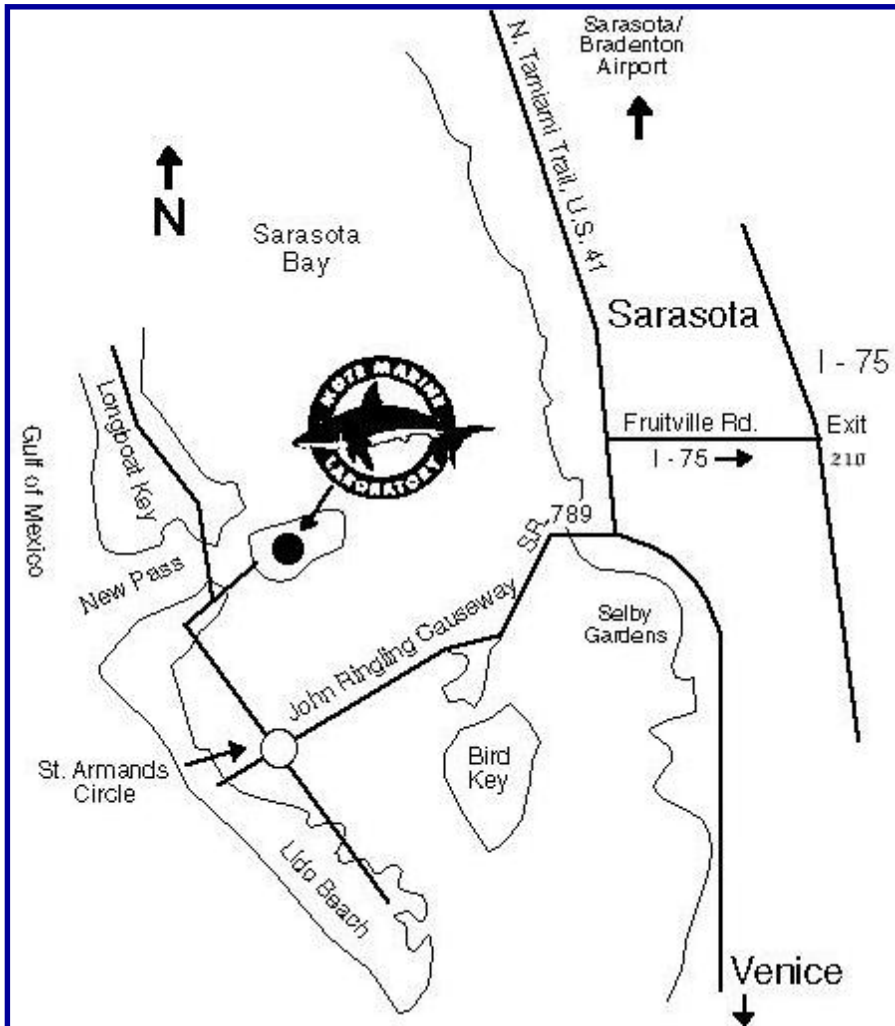

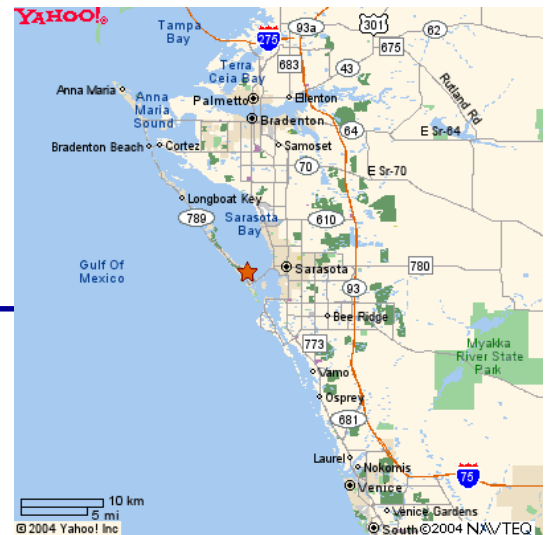

Directions to the Keating Marine Education Center at Mote Marine Laboratory – (941) 388-4441 (dial 0 for switchboard)

From I-75 North or South

Take Fruitville Road exit 210 off I-75 approximately 8 miles west to Tamiami Trail (U.S. 41), turn left. At first stop light (Gulfstream Avenue) turn right and proceed across the Ringling Causeway drawbridge to St. Armands Circle. Go $\frac{1}{4}$ around the circle and exit at North Boulevard of the Presidents. Proceed one mile to the traffic signal at Ken Thompson Parkway and turn right. The Keating Center will be on your left (building on stilts). Parking is limited, so proceed past the Keating Center and turn right onto Betty Mote Rose Way (signs for Outboard Club, Ski-A-Rees, Mote Aquarium) which leads to the public parking area for Mote Aquarium.

From Sarasota Bradenton Airport or U.S. 41

Take Tamiami Trail (U.S. 41) south approximately 10 miles. Turn right at Gulfstream Avenue and proceed across the Ringling Causeway drawbridge to St. Armands Circle. Go $\frac{1}{4}$ around the circle and exit at North Boulevard of the Presidents. Proceed one mile to the traffic signal at Ken Thompson Parkway and turn right. The Keating Center will be on your left (building on stilts). Parking is limited, so proceed past the

Keating Center and turn right onto Betty Mote Rose Way (signs for Outboard Club, Ski-a-Rees, Mote Aquarium) which leads to the public parking area for Mote Aquarium.
