Other Sources of Information

In addition to the natural museums, libraries, state and county parks there are a number of professional organizations that may be able to provide help or suggestions with environmental experiments. Some of these are:

American Institute of Chemical Engineers
345 East 47th St., New York, NY, 10017

The Air and Waste Management Association
P.O. Box 2861, Pittsburgh, PA, 15230

Florida Audubon Society
480 E. Highway 436, Casselberry, FL, 32707

Marine educational materials (curricula or activities) may be obtained through:

National Marine Educators Association
P.O. Box 51215, Pacific Grove, CA, 93950

Florida Advisory Council on Environmental Education
237 Holland Bldg., Tallahassee, FL, 32399-1400
phone: (904) 487-0123

MARE. Lawrence Hall of Science
University of California, Berkeley, CA, 94720

Marine Education Computer Printout Bibliography
Virginia Sea Grant Marine Advisory Service
phone: (804) 642-7165 (search by grade level and topic of interest, \$5.00/search)

National Aquarium in Baltimore - Educational Department
501 E. Pratt Street, Baltimore, MD, 21202
phone: (410) 576-3880

Nation Sea Grant College Programs, Marine Information Service
Sea Grant College Program, Texas A&M University, College Station, Texas, 77843-4115 (single copies of a bibliography of educational materials are available free of charge)

Pacific Science Center - Washington Sea Grant Marine Education Project
200 Second Ave. North, Seattle, WA, 98109-4895
phone: (206) 443-3627
