### Acknowledgments and References

---

**Special thanks to the people and entities that kindly allowed us to adapt, interpret, and/or reproduce information and activities from the following resources.**

Forecasting the Future, Exploring evidence for global climate change. Education Department, Stephen Birch Aquarium-Museum. National Science Teachers Association, publ.

Mississippi-Alabama Sea Grant Consortium, University of Southern Mississippi, University of South Alabama, and NOAA Office of Sea Grant, U.S. Department of Commerce: Irby, B.N., M.K. McEwen, S.A. Brown, and E.M. Meek (editors). 1984. *Diversity of Marine Animals*.

Mississippi-Alabama Sea Grant Consortium, University of Southern Mississippi, University of South Alabama, and NOAA Office of Sea Grant, U.S. Department of Commerce: Irby, B.N., M.K. McEwen, S.A. Brown, and E.M. Meek (editors). 1984. *Marine and Estuarine Ecology*.

National Aeronautics and Space Administration. Office of Mission to Planet Earth. January 1994. *The Living Ocean, SeaWifs: Studying Ocean Color from Space*.

National Science Foundation, University of Southern Mississippi: Walker, S.H. (project editor) 1996. *Global Environmental Education Resource Guide for Middle School Teachers*.

The National Science Teachers Association, Arlington, Virginia: Ford, B.A. and P.S. Smith. 1995. *Project Earth Science: Physical Oceanography*.

University of North Carolina, North Carolina Department of Administration, and NOAA Office of Sea Grant, U.S. Department of Commerce: Mauldin, L. and D. Frankenberg. 1978. *North Carolina Marine Education Manual: Unit Three: Coastal Geology*.

### Other Sources of Information

**In addition to the natural museums, libraries, state and county parks there are a number of professional organizations that may be able to provide help or suggestions with environmental experiments. Some of these are:**

Florida Audubon Society  
480 E. Highway 436, Casselberry, FL, 32707

Marine educational materials (curricula or activities) may be obtained through:

National Marine Educators Association  
P.O. Box 51215, Pacific Grove, CA, 93950

Florida Advisory Council on Environmental Education  
237 Holland Bldg., Tallahassee, FL, 32399-1400  
phone: (904) 487-0123

MARE. Lawrence Hall of Science  
University of California, Berkeley, CA, 94720

Marine Education Computer Printout Bibliography  
Virginia Sea Grant Marine Advisory Service  
phone: (804) 642-7165 (search by grade level and topic of interest, \$5.00/search)

National Aquarium in Baltimore - Educational Department  
501 E. Pratt Street, Baltimore, MD, 21202  
phone: (410) 576-3880

Nation Sea Grant College Programs, Marine Information Service  
Sea Grant College Program, Texas A&M University, College Station, Texas, 77843-4115 (single copies of a bibliography of educational materials are available free of charge)

Pacific Science Center - Washington Sea Grant Marine Education Project  
200 Second Ave. North, Seattle, WA, 98109-4895  
phone: (206) 443-3627
