Opening Remarks:

Welcome to Volume IV of the Marine Science Residence Times (aka RT) and another Academic Year (The Year of the Blonde). The name RT was inspired by Intro. to Chem. Ocean., though some say it has more to do with the tenure of some of the students here.

The RT serves as your voice, your creative outlet to the Department and beyond. All thoughts pertaining to Science, the Department, and Gossip will be accepted. We reserve the right to "edit"! We are looking for bright young minds to join the permanent RT staff; please see Eric Wright.

MSAC News

Congratulations to the new officers: Brian Bendis, Pres.; Karen Smith, Steve Goodbred, Kelli Hammer, VP's; Paul Bissett, Treas.; Jill Barre, Secy.

Hey, don't miss the gossip, don't be out of the loop. Drop in at Thank G'd It's Friday (TGIF), Friday afternoons, 4:30-7:30 in the Student Lounge. And don't forget to attend TGIAF (Thank G'd It's ALMOST Friday), the informal, student-run seminar series chaired by Lynn Leonard.

Watch for details on the Fall Classic, the DMS Turkey Bowl (go bother Steve Goodbred).

Student Government News

Heather Melton has returned as one of our College of Arts & Sciences reps. Gina Ruiz has petitioned Student Government for one of the other vacant slots allotted to our College. If you have any questions regarding SG, see Heather or Gina.

Next Meeting: 25 Sep, 5:00p, CAC

Kudos

To Steve Kinsey, for defending his M.S. thesis.

To Dave Inglis, (even though he spent most of his time in Tampa, he really was a DMS student!), for defending his M.S. thesis.

To Brian Bendis, on his engagement to Katrina.
