

FORAMS 2010

*International Symposium on Foraminifera
September 5 -10, 2010
Bonn, Germany*

We are pleased to announce the next International Symposium on Foraminifera, FORAMS 2010, which will be held at the University of Bonn, Germany, between 5-10 September 2010.

Papers are invited that represent a wide range of research topics that center around all aspects of foraminiferal biology, biostratigraphy, biogeography, ecology and paleoecology, paleoceanography, molecular evolution and systematics, and paleoclimatology.

Participants are invited to submit their abstract(s) and to register on the Symposium Website

Full details of the symposium are available at:

www.FORAMS2010.uni-bonn.de

Contact details: forams2010@uni-bonn.de
